

# CYFELCO T8 SUR 4X18 CAT3 DALI

## PRODUCT DATA

807-081

### General Information

|                         |                                                                                        |
|-------------------------|----------------------------------------------------------------------------------------|
| Order Code              | 807-081                                                                                |
| Product Description     | CYFELCO T8 SUR 4X18 CAT3 DALI                                                          |
| Application             | Offices, shops, educational and public centres, etc.                                   |
| Installation            | Ceilings                                                                               |
| Luminaire type          | Surface Mounted Louvre Luminaire for T8 Lamps                                          |
| Light Source            | T8 Fluorescent Tube                                                                    |
| Number of light sources | 4 pcs (not included)                                                                   |
| Gear                    | Vossloh-Schwabe DALI Electronic Ballast (HF)                                           |
| Dimming                 | Dimmable                                                                               |
| Standards               | 2014/30/EU Electromagnetic Compatibility Directive<br>2014/35/EU Low Voltage Directive |
| CE mark                 | Yes                                                                                    |
| Warranty                | X years                                                                                |

### Electrical Data

|                  |           |
|------------------|-----------|
| Lamp Power       | 18 W      |
| Input voltage    | 220-240 V |
| Input Frequency  | 50-60 Hz  |
| Protection class | Class I   |

### Mechanical Characteristics

|                                   |                                  |
|-----------------------------------|----------------------------------|
| Housing Material                  | Sheet steel 0,5mm                |
| Surface Finish                    | White powder coating (RAL 9003)  |
| Optical Cover                     | Anodised Aluminium Louvre (CAT3) |
| Ingress protection code           | IP 20 [Finger-protected]         |
| Mechanical impact protection code | IK03                             |
| Dimensions LxWxH                  | 624x624x70 mm                    |

### Logistics

|              |                           |
|--------------|---------------------------|
| Packing      | 1 pc per resistant carton |
| Net weight   | xx kg                     |
| Gross weight | xx kg                     |
| Volume       | Xx m <sup>3</sup>         |
